Ashton Jatzlau

Ashton Jatzlau is the proud owner and lead stylist at Salon Sapphire in Giddings, Texas. Since 2010, she has specialized in extensions, blonding, and precision haircuts, creating custom looks that enhance her guests' natural beauty and confidence.

After moving back to her hometown of Giddings, Texas, Ashton founded Salon Sapphire in 2023 with a vision to create more than just a salon. Her goal was to bring a luxury guest experience to the community while building an education-based environment where stylists can grow, learn, and thrive in their craft. Through intentional service, continued education, and a passion for people, Ashton has created a welcoming space focused on both beautiful hair and meaningful relationships.

Beyond her work behind the chair, Ashton is deeply passionate about mentoring and growing the stylists she hires—cultivating both their technical skills and their love for the craft. Her mission is simple: to serve people with excellence, creativity, and care, making every guest feel valued, beautiful, and confident.

When Ashton isn't creating dream hair, she's living life in the country with her husband and two children, enjoying the mountains or the beach, and loving the people God has placed in her life.

Makayla Schautschick

I'm Makayla — your hometown hairstylist in Giddings, TX

I've been behind the chair for 4 years and I'm OBSESSED with all things extensions, lived-in color, and blinding. I'm certified in both Cocomarie and Bellami extensions.

When I'm not in the salon creating hair magic, you'll probably find me at the beach, booking another cruise, crocheting something cute, or hanging out with the love of my life, my dog Beau, and my cat Dani.

I truly love what I do and feel so lucky to live out my dream career in my hometown while helping women feel confident, beautiful!

Kylee Smith

As a proud Giddings, Texas native, Kylee is passionate about all things beauty and is dedicated to learning everything she can about the salon industry. With a strong work ethic, a determined spirit, and a genuine love for helping others, she is committed to growing into a skilled and successful licensed cosmetologist. She is currently enrolled in Charles & Sues School of Hair Design, in Bryan, Texas.

Kylee's creative nature shines through not only in her love for hair but also in her passion for drawing and expressing herself through art.

When she's not in the salon or expanding her knowledge, you'll find her riding horses, spending time outdoors, loving on her dog, or making memories with family and friends. Kylee is excited to continue learning, growing, and serving each guest who sits in her chair.
